**PERMIT NUMBER:**

### Part A: Particulate Matter Emissions

Part A is intended to provide a summary of the type and amount of particulate emissions at the source. The state rules on particulate emissions are found in Title 326 of the Indiana Administrative Code, Article 6, Particulate Rules. If you do not provide the enough information to adequately describe each source of particulate emissions, the application process may be stopped. If additional space is needed, you may make a copy of this table.

[illegible]

**Part C: Control of Particulate Emissions**

Part C is intended to gather information about how each source of particulate emissions is controlled. If you do not provide the enough information to adequately describe how each source of particulate emissions is controlled, the application process may be stopped. If additional space is needed, you may make a copy of this table.
